**We are thankful to Christ our Creator for allowing us to share the message of creation and the gospel with people of all ages.**

Our family ministry is out of Smyrna Baptist Church in Pensacola, Florida under **Heartland Baptist Missions**. We currently reside in Minnesota, but travel across the states as God opens doors of opportunity.

We have many PowerPoint, song-sprinkled messages that deal with different creation themes that we share at churches, schools, and groups of all kinds.

During the summers we team with churches and camps to reach out to the children of their communities by teaching our creation-based, attention-grabbing, Bible-packed Vacation Bible School curriculum.

We enjoy partnering with churches to man "Creation Booths" at their area fairs and share the gospel with those who come by.
