Missions Facts to Ponder

- It is estimated that of the 7.3 billion people alive in the world today, 3 billion of them live in unreached people groups with little or no access to the Gospel of Jesus Christ.
- 86% of all unreached people groups lie within the region called the 10/40 window, which is between 10 and 40 degrees north and from the west coast of Africa to the east coast of Asia.
- In AD 100 there were 360 people for every believer. Now there are 7.3 people for every believer.
- In AD 100 there were 12 unreached people groups for every congregation of believers. Now there is 1 unreached people group for every 1000 congregations.
- 90% of foreign missionaries work among already reached people groups. 10% work among unreached people groups.
- Despite Christ's command to evangelize, 67% of all humans from AD 30 to the present day have never even heard the name of Jesus Christ.
- 91% of all Christian outreach/evangelism does not target non-Christians, but targets other Christians.
- In the last 40 years, over 1 billion people have died who have never heard of Jesus, and around 30 million people this year will perish without hearing the message of salvation. 70,000+ people die every day in the unreached world without Jesus.
- The average American Christian gives only 1 penny a day to global missions.

Ask God how you can:

PRAY

for our missionaries, their families and the people they serve.

GIVE

financially to support their living expenses and outreaches.

GO

to a lost and hurting world to be God's hand extended locally or internationally.

It will be our privilege to have with us Aaron Maynard (Panama City, FL), James Dare (Pensacola, FL), Corey Ricker (Lima, Peru), and Gary Sprunger (Pensacola, FL). Please plan on attending the conference Monday through Wednesday nights at 7:00 PM.

Please pray about how God would have you to financially support missionaries around the world, preaching the gospel on your behalf, and be ready to participate in Faith Promise Giving for 2017!
